***Located in Building 7, Room 7209** ** **Last day of class ends early**

Tuition and fees: $186.63 for in-state students $582.99 for out-of-state students

REQUIRED ON THE FIRST DAY OF CLASS:

- **Textbook:** Emergency Medical Responder: First on Scene, 12th Edition, ISBN # 978-0138100568. Available through the MDC Shark Pack Program for purchasing textbooks at a discounted rate. This fee is automatically added to your fee invoice. You will receive an email with your textbook information once you have registered.
- **Payment:** Students are expected to pay the tuition price (and digital materials fee if applicable) before the first day of their class. Students who do not pay for their class on time will be dropped from their course and not receive credit for completion of the course. Please ensure you bring proof of course payment on the first day of class (ex: fee invoice).
- **Expectations:** First Responder is a pre-requisite course for the Fire Fighter Minimum Standards Program and a requirement to take the State of Florida Firefighter Certification Examination. All hours are mandatory. Every student who participates in this course represents the Fire Science Program of MDC and are ***required*** to come to class in proper attire (polo shirts, dark or khaki-colored pants with a belt, closed-toe shoes, and well-groomed). Tardiness, improper attire, and disrespectfulness are prohibited, no exceptions. These expectations are preparation for the transition into the Fire Fighter Minimum Standards Program. **Deadline for registration is the day before the first day of class.**

NOTE: In order to register for this course, you must be an active student for the Spring 2027 term with Miami Dade College under either Fire Fighter Minimum Standards (program code: 57004) or Firefighter/EMT Combined (program code: 58000). This is a vocational credit program**. Spring 2027 term** registration begins **April 20, 2026.** This course is limited to the first 24 students.

ACCESS (A Comprehensive Center for Exceptional Student Services): Students who feel the need for this service are urged to visit an ACCESS advisor for evaluation and determination for eligibility. To be eligible for special services through the ACCESS Department, a student must provide documentation regarding their situation. No retroactive accommodations can be provided. The student ACCESS office is located in room 6112 at North Campus, contact: (305) 237-1272.
