Miami Dade College
CAMBRIDGE AICE (British AS-Level and A-Level)
Effective September 1, 2023

General Information
Miami Dade College uses the minimum scores, credits, and guidelines for awarding credit for exams established by the State of Florida's Articulation Coordinating Committee (ACC). The chart below indicates how CAMBRIDGE AICE credit will be utilized at MDC. Students transferring to a public senior institution within the State are assured that CAMBRIDGE AICE credit will transfer when earned as a part of a completed Associate in Arts degree. However, it is the student's responsibility to contact the senior institution if any question exists concerning the acceptance e of AICE scores.

All interested students are encouraged to see an Academic Advisor before registering for the examinations. Students may earn up to 50% of their degree (or up to 30 semester credits) at MDC through credit-by-exam options. For additional information on AICE please visit http://www.cie.org.uk/countries/usa/.
