What you already know can take you further than you think.

CLEP® exams help you get college credit for what you already know at a fraction of the cost of a college course. CLEP offers 34 exams that cover material taught in introductory college courses. With a qualifying CLEP exam score, you can test out of the corresponding college course, saving both time and money on your degree.

Get additional details with the Information for Test Takers guide.

The **Information for Test Takers guide** includes information about CLEP exam registration, score reports, brief exam descriptions, test-taking tips, contact details, what to expect on exam day, and more.

Achieve your college goals faster with CLEP exams.

The **Achieve your college goals with CLEP exams brochure** provides an overview of how CLEP can help you get a head start on college and move one step closer to earning your degree.
